

# SUBMITTAL DATA SHEET

No-Lead  
Angle Quarter Turn Supply Stop – 72082C

Compression x Compression

A.Y. McDonald Mfg. Co. No-Lead Quarter Turn Supply Stops are compact, so they are easy to use in tight spaces. The ball valve design allows for ease of operation and positive shutoff, and is ideal for residential and commercial applications. They are designed to shut off the flow of water, without having to turn off the water to the entire house.
