

December 16, 2021

Dear A.Y. McDonald Plumbing Customer,

A.Y. McDonald Mfg. Co. will be implementing a list price increase effective January 18, 2022, on all Plumbing products. Continued rising raw material costs, supply chain disruptions and freight surcharges necessitates the need for this change. This price increase does not affect A.Y. McDonald Mfg. Co. Pump, Water Works, or Natural Gas products.

All orders received on or after 12:00pm (CST), January 18, 2022, will be subject to the price increase. Orders received with release dates beyond January 18, 2022, will be entered using new pricing. In certain product groups, the quantity ordered may be limited, based on your prior twelve-month average usage. Existing fixed price contracts will be honored through the expiration date of that quotation.

Affected product groups and the percentage of increase are as follows:

| Product Group: | % Increase: | Product Group: | % Increase: |
|--------------------------------------|-------------|--|-------------|
| -Stainless Steel Pipe Nipples | 20% | -Gas Ball Valves | 5% |
| -Plastic Pex | 18% | -Plug Gas Stops | |
